PERFECT FOR

Luxury events like:

- Outdoor Weddings & Receptions
- Film & TV Productions
- Corporate Events
- Product Launches
- Vineyard, Farm & Estate Venues
- Private Parties & Luxury Gatherings

The women's washroom in a Toiluxe trailer is thoughtfully designed to feel refined, comfortable, and inviting. Elegant finishes, flattering lighting, and climate-controlled interiors create a space where guests can freshen up with ease. With hot running water, and premium amenities, every detail is considered to support comfort and cleanliness throughout your event.

WOMENS

The men's washroom in a Toiluxe trailer combines functionality with a clean, modern design that feels well above standard portable options. Featuring spacious hotel inspired interiors with climate-control, the layout is designed for efficient flow without sacrificing comfort. High-quality fixtures and thoughtful finishes ensure a polished experience that fits seamlessly into upscale outdoor events.

MUSI/ BLUETOOTH AVAILABLE	Playlist provided or client must download playlist off site if no WIFI available on site.
PROVIDED	Luxury soap, paper towels, toothpicks & mints.
PROHIBITED	No open flames, no smoking. There is a charge for smoke smell removal.

TOILUXE EXPERIENCE

Delivery & Setup

Our team manages professional delivery, positioning, leveling, and full setup. We coordinate with planners and venues to ensure discreet placement and seamless integration.

During Your Event

Each trailer arrives fully stocked, sanitized, and event-ready. Climate control, lighting, and quiet operation ensure consistent guest comfort throughout your event.

Pickup & Disposal

Following your event, our team returns for prompt, discreet pickup and site cleanup. All waste removal and servicing is handled by Toiluxe.

SITE REQUIREMENTS

Power & Water

- One dedicated 15-amp (120V) electrical circuit required
- Standard household outlet is sufficient
- Quiet generator option available for off-grid or remote locations
- Access to a standard garden hose connection preferred
- If water is unavailable, trailers can operate using onboard fresh water tanks (event size dependent)

Placement & Access

- Level ground required for proper setup
- Clear access for delivery vehicle (minimum clearance provided during booking)
- Recommended placement within 50–75 feet of power and water when available

Space & Waste

- Adequate space for trailer positioning and guest flow
- Clear entry and exit pathways for safe, efficient use
- All waste handling and post-event servicing is fully managed by Toiluxe
- No interaction or oversight required from the venue or host
